ABELL

Plainfield, Conn., Nov. 17. '04.

My Dear Mr. Porter:

Your very welcome favor is at hand, this morning, and I herewith enclose a transcript of my record of the Abells descended from Rebecca Shuman and John Abell of Lebanon. The numbers are the same as in the printed book, so that you can refer to any one of them by number if you should happen to have occasion. You will see by the large skips in the numbers that there <sup>are</sup> many intervening Abells, descendants of Elizabeth and Obigail Shuman.

Dea. Silas P. Abell of Exeter parish in Lebanon, if living, would probably be able to give (or obtain for) you some of the dates of the early generations in Lebanon. I think a letter directed to Exeter parish via Leonard's Bridge R.F.D. would reach him or his family all right.

With best wishes, etc.,

Yours sincerely,

J. Homer Bliss.
